

Pacific BioEnergy

CLEAN UP PERSONNEL

JOB TITLE: Clean Up Personnel
DEPARTMENT: Clean Up Department
COMPENSATION: In accordance with PPWC Local 9 Collective Agreement

Pacific BioEnergy is a private company established in 1994 with corporate offices located in Vancouver, BC and operations in the heart of British Columbia's forest region, Prince George, BC. We are a leader in wood pellet fuel in North America and are committed to meeting growing worldwide demand for this clean energy source.

DESCRIPTION:

Pacific BioEnergy is looking for a team player with a strong work ethic, ability to perform physically demanding work, demonstrated safe-work practices and good communication skills.

Successful candidates will be available for possible shift work and be willing to work indoors or outdoors. Previous experience in a manufacturing setting and mobile equipment would be an asset but are not required.

REQUIRED QUALIFICATIONS:

- Previous experience working in a manufacturing-based industry would be considered an asset.
- Ensure that working safely at Pacific BioEnergy is a top priority in the areas of policy, program and procedure. This can only be realized through complete support and buy in of the overall safety program.
- Excellent communication and interpersonal skills with a proven ability to work with others to perform labourer activities safely.
- Ability to complete forklift, skidsteer, manlift training.
- Able to work in extreme temperatures, in dusty and noisy conditions with specific PPE.
- Able to lift 2-20 pounds regularly, climb steps and ladders, work from heights and stand/walk for 2-3 hours at a time.

If you have a desire to be part of a team that produces a superior product with highest level of quality assurance and feel that your organizational and team engagement skills can contribute to our team environment then we would love to hear from you. Please forward your resume by in confidence to:
